

## LOCAL NEWS.

**YESTERDAY.**—More persons than usual were on the streets yesterday, and large congregations were present in the different churches. Bishop Johns preached at Christ Church in the morning, and Mr. Mearns at the Baptist Church. The pulpits of all the other churches were filled by the appointed clergy. Rev. Mr. Benson, of the M. P. Church, preaching an anniversary sermon to the members of the Brotherhood of the Union in the morning. The funeral of Capt. Overton Taylor, an account of whose death, by the accidental discharge of a ducking gun, appeared in Saturday's Gazette, took place from the Baptist Church in the afternoon and was attended by the members of Sarepta and Potomac Lodges of Odd Fellows, and Mechanics and Oriental Lodges of Knights of Pythias, in regalia. The following is a report of the work done during the day by the Young Men's Christian Association: "The altar house services were attended with the same interest as usual, with a godly number in the congregation. The exercises at the jail were very interesting and impressive, with a full corps of the committee present. The Sunday prayer meeting in the M. P. Church was not largely attended in consequence of the funeral exercises in the Baptist Church over the remains of Capt. Taylor; still the exercises were conducted with the usual deep interest. This meeting will be held in the M. P. Church next Sunday."

**RIVER NEWS.**—The steamer Columbia having undergone thorough repairs has resumed her place on the Baltimore line. She arrived here last night with a large freight list and a full complement of passengers. The steamer Georgeanna has also been put on a new line to Baltimore, and left here this morning for the last named city. Tripson all the steam lines to and from this city except the Express line to Baltimore and the Wawaset line to Cone River have been resumed, and the expected lines will resume operations next week. The steam dredging machine having cleaned out the dock of Mr. W. A. Snoot, foot of Princess street, will to-morrow commence to deepen the docks belonging to the Corporation, at Fishward. The steamer Virginia of the Maryland ferry line, with Captain Griffin in temporary command, took a load of lumber to Fort Washington this morning.

**ALARMS OF FIRE.**—The slight alarm of fire about dusk on Saturday evening last, was caused by the burning of brush near Fort Runyon. The light gave rise to the supposition that the Poor's House was on fire.

The alarm about five o'clock yesterday evening, was caused by the burning of the chimney of a framed building near the corner of Prince and Commerce streets, and that about an hour later was caused by the burning of the chimney of a house at the south end of Fairfax street.

The alarm about eleven o'clock this morning, was caused by the burning of the chimney of the house of Mr. Augustus Butts, on Columbus street, between Princess and Ontario.

**THE LIBRARY PRINCIPAL.**—The attention of the subscribers to the Alexandria Library is called to an annual meeting, to be held in the Library Room at 8 o'clock on Wednesday night next. It is of the utmost importance to the future prosperity of this useful institution that all the subscribers be present at this meeting, thus giving evidence of the deep interest felt in its continued success. Besides the election of a President and eleven Directors, upon the proper selection of whom, in the opinion, depends the success of the Library, other matters of interest will be presented for consideration. It is hoped, therefore, that there will be a large attendance.

**MORTALITY.**—Rarely before has a winter in Alexandria been attended with such a rapid succession of deaths as the one now drawing to a close. Hardly a week has elapsed, since the cold weather commenced, during which some well known residents of the city have not been called to their last account. Under the obituary head in to-day's Gazette appear notices of the death of Mrs. Judge Love and of Justice J. R. Alexander. Several other persons in the city are extremely ill, but the reports of their deaths, in circulation this morning, were incorrect.

**AN HONEST MAN.**—That honesty yet survives, notwithstanding the greivous attack it received by the war and its results, was made apparent a day or two ago, to several witnesses by a passenger on the O. A. & M. R. R., who, after settling with the conductor for his own fare, paid him full fare for two passengers who, he said, had gone through the day before on half fare tickets, remarking that they were not justly entitled to such tickets.

**THEATRICAL PERFORMANCE.**—The Alexandria Dramatic Association will give an entertainment at Liberty Hall to-night the proceeds of which will be added to the fund being raised for the purpose of erecting a new market house steeple. The pieces to be produced have been in rehearsal for some time, the actors are well up in their respective roles, and an agreeable evening will be enjoyed by all who may attend the performance.

**APPOINTMENTS.**—The following are the appointments in the Alexandria District, made at the recent Virginia Conference of the M. E. Church, held in Leesburg:—E. P. Phelps, P. E. Alexandria, Rev. W. **CONTRADICTED.**—The report of the death of Capt. Charles McKenney, of the 100th Fanny, at Smith's Point, from injuries received by falling of a block while he was engaged in raising his sunken vessel at Stump Neck, last week, is contradicted by persons from that place.

**LEG BROKEN.**—Captain James F. Grimes of the stern wheel steamer Enterprise, while walking from his house to the wharf, at Occoquan, on Saturday last, slipped on a piece of ice and falling, was so unfortunate as to break his leg between the ankle and knee joints.

**FRESH FISH.**—Messrs. Johnson, Cole & Co. received from the lower Potomac, last night, about one thousand bunches of fine fresh fish, among which were some fifty or sixty bunches of herring.

Several young men, for disorderly conduct on the corner of King and Henry streets, were fined and discharged.

**NIGHT REPORT.**—Night cold and windy. There were no disturbances. One prisoner was at the station house, but no lodgers were there.

**THE STEAMER GEORGEANNA** has resumed her trips between this city and Baltimore, leaving here every Monday morning, and stopping at the landings on the Potomac, including Aquia Creek, to which point freight for Frederickburg and Richmond can be shipped. ## TELEGRAPH NEWS.

[DISPATCHES TO THE GAZETTE.]

**From New York.**  
NEW YORK, Feb. 26.—Patrick Donahue and Patrick O'Donnell, both state prison convicts, yesterday outraged an old woman named Brandy in a house on Clevela road, Brooklyn, and then set fire to the house, which was burned down and another old woman named Margaret Riley nearly burned to death. Both felons were arrested.

The silk store of Robertson and Radon, in Broome street, was burned Saturday night of \$10,000 worth of silk.

Charles F. Horton, seven years of age, was killed by Henry Leavitt aged fifteen, on Friday while playing. Horton died yesterday. Leavitt has been arrested.

The Times calls for a legislative investigation of Police Headquarters and of Chief Kelso's actions, stating that there is a mass of evidence in the hands of the committee of seventy showing a shameful state of corruption throughout the Police Department. They are said also to have conclusive evidence of fraud upon the city, none less than \$25,000, which will secure city the arrest or flight of over five hundred city robbers. Judge Downing, Hank Smith, (a Tammany Republican) and Chief of Police, Kelso, are said to be implicated deeply.

It is stated that the new system to take the place of the General Order business at the Custom House in this city will go into effect next week.

**Excitement at Antwerp.**  
ANTWERP, Feb. 26.—Count de Chambord refuses to publish the manifesto of the Monarchists in the French National Assembly. Deputies from a number of French towns arrived here this morning and were received by Count de Chambord. The streets of the city are again thronged to-day by citizens and strangers and great excitement prevails. Notwithstanding the order prohibiting the congregating of crowds, several gatherings have taken place this morning and a number of affairs have occurred between clericals and liberals. The gens d'armes were compelled to charge upon and disperse the assemblages and several persons were wounded.

**LATER.**—The excitement throughout the city is increasing. The citizens have armed themselves with engines and are making the most threatening demonstrations against strangers. The authorities apprehend serious disturbances and are making extensive preparations to suppress rioting.

**Telegraphic Summary.**  
A private telegram from Baltimore yesterday stated that Father Coskey, vicar general of that diocese was dying, in consequence of which telegrams were sent to the Pope praying the appointment of an administrator for the see of Baltimore pending the translation of an archbishop.

The N. Y. Herald's Washington dispatch states that "the U. S. Government has authorized an American banking house in England to offer to settle the Alabama claims for ten million pounds sterling"—very improvable.

Buenos Ayres' letters state that the massacre at San Juan was brought about by one Salares who professed to be Christ and is said to have performed miracles. He worked upon his ignorant followers who followed him to San Juan massacring people under the cry of "Death to the Masons, death to foreigners." When the people arrived and captured them, sixteen of the fifty fanatics were killed and Salares was subsequently shot while in jail.

SPECIAL NOTICES.

AGGRAVATED INDIGESTION.—Persons who are predisposed to dyspepsia, find their sufferings from this cause greatly aggravated by damp weather, easterly winds and sudden changes from a mild to a chilling atmosphere. In the spring, therefore, the pangs of indigestion are seriously augmented by the atmospheric variations peculiar to the season, and it is incumbent upon all who desire to pass through the ordeal of its cold mists and insubstantial gales with easy stomachs, and untortured by the indigestible torments which accompany dyspepsia, to tone and strengthen the digestive organs with a healthful and effective vegetable invigorant; and no one at all familiar with the medical record of the age, can question for one moment that Hostett's Stomach Bitters is the tonic best adapted to this purpose.

The Credentials of the Great Restoratives are unequalled in number and character by those of any other advertised medicine in the world. If ever there was a preparation to rank as a National Remedy, this wonderful specific has a fair claim to the title. For a period of twenty years it has literally been the Champion Tonic and Alternative on this side of the Atlantic. In popularity it has never been approached by any of its would-be competitors, and its annual sales are so far in advance of those of any other medicine of its class, that comparisons would be ridiculous. One of two conclusions is inevitable. Either the American people are deficient in common sense, and incapable of rational discrimination, or Hostett's Bitters is the best preventive remedy for indigestion, fever and ague, bilious remittent fever, constipation, rheumatism, nervous complaints and all maladies of an epidemic or endemic type. The reader will judge for himself which of the two conclusions is most consistent with fact and reason.

**BEWARE OF CALOMEL** and all mercurial compounds. Better far better endure disease than tamper with this mineral poison, no matter how carefully prepared. Its extensive use has already proven the cause of great and permanent injury. DOCTOR TUTT'S LIVER PILLS contain not a particle of mercury, and can be taken at all times with perfect safety.

**YAZOO COUNTY, Miss., May 3, 1869.**  
Dr. Wm. H. Tuttle: I have been a martyr to Liver Complaint for three years, and after employing the best of doctors, and spending almost all I was worth for different kinds of medicine, your agent induced me to try your Liver Pills. I have taken them regularly for several weeks, and my liver is now in a healthy state. I have been so much benefited by them that I feel confident of a perfect cure. I consider them the best Liver Medicine ever discovered.
